Subject: Letter of Recommendation for Adithya Sriramjou

To: Hiring Committees

Date: Feb 15, 2024

To Whom it May Concern,

Adithya Sriramjou recently mentioned his forthcoming graduation and interest in seeking career employment to me. I have been so impressed with Adithya's acumen, dedication, and work, I immediately offered to pen the following letter of recommendation in his behalf.

I happen to be in an optimal position to speak to Adithya Sriramjou's capacities. I have had the pleasure of working directly and collaborating regularly with Adithya for well over a year. From our first interactions, when Adithya and I collaborated daily on a multifaceted project to build out a course registration, credentialing, and payment gateway system, through my later assumption of the Instructional Design and Support Groups directorship, Adithya has always impressed.

As a resource, Adithya Sriramjou truly stands out. He is both organized and time efficient. Adithya's broad knowledge and skillset mastery come from both years of study and a constant interest in growing himself intellectually and professionally. He manages every task placed before him with professionalism and grace, and always in a timely and highly organized fashion. He also works to stay abreast of best practices and developing theories. I have been a party to nothing but compliments for his work.

I would be remiss if I did not take a moment to speak to Adithya Sriramjou's other strengths, including his exemplary interpersonal abilities. Adithya communicates well, he anticipates problems, and he possesses outstanding listening skills; qualities which come through clearly with every interaction. Adithya is one of my most consistent and valued contributors, and a thoughtful, service oriented, strategic thinker who always ensures alignment; all while deftly managing his full master's degree load.

As someone who is regularly in a position to make decisions regarding employment for deserving individuals, I esteem Adithya Sriramjou's competence, his follow-through, his patience and sensitivity towards others, and most of all, his integrity and commitment to personal and enterprise achievement.

An investment in Adithya Sriramjou is an investment in your organization and a true investment in the future. I recommend him for your serious consideration.

Sincerely Yours,

John A. Cencioso, MS

Director, Instructional Design and Support
